Under all circumstances it is always best to be cheerful. Cheerfulness, which makes for joy in the world, is the parent of many virtues. Morning else in the associations of humanity is so effective of good and lasting results as cheerfulness. It opens the gates to gardens of surpassing beauty and superlative pleasure; it appeals to and influences happily every one who is not fallen to the level of the brute creation; and even there are many dumb brutes which constantly manifest something of appreciation of cheerful spirits in man, as we may observe every day.

DEATH OF MR. R. G. POWELL

He Passed Away This Morning, After Many Months of Slow Decline.

The death of Mr. Richard G. Powell occurred Saturday morning at 6 o'clock, at his home on East Centre street, after many months of slow decline, during which time he patiently and cheerfully awaited the coming of the White Winged Messenger that was to bring surcease of suffering that had baffled the skill of physicians of this world and driven hope of recovery away long months ago.

Mr. Powell was the second son of the late Mr. John H. Powell, and was 47 years of age. He was twice married, his first wife, Miss Kate Johnston, living but a short while, and leaving one daughter, Miss Kate Powell, of the telephone exchange. His second wife, who with three children survives him, was Miss Rella Carr, of Duplin. He is survived, also, by his venerable mother and brothers and sisters as follows: Mr. E. W. Powell, Mr. Jas. M. Powell, Mr. John W. Powell, Mrs. W. T. Holwell, Mr. Emmet Powell and Miss Annie Powell.

Deceased was a devout member of the Methodist Episcopal church, and a zealous Odd Fellow, and devoted to his home and the happiness of wife and children, by whom he will be sadly missed. But they have the sweet consolation of his answered prayer and the assurance that it is well with him.

The funeral was held from the home Sunday afternoon at 4 o'clock, under the auspices of Neuse Lodge I. O. O. F.

A ROMANCE.

A Norfolk Young Man and a Tarboro Young Lady Get Married in Goldsboro.

When the 8:15 train from Norfolk arrived here Monday afternoon a well-dressed stranger, handsome in appearance, was seen to alight from the train and make his way through the crowd to the hotel, where he registered as Edward P. Godwin, of Norfolk, Va. In the course of the afternoon the stranger was recognized by fruit and produce dealers as a member of the firm of R. S. Godwin & Co., Commission Merchants of Norfolk. At that time it was thought that the stranger had simply come to Goldsboro on a business trip, but subsequent events proved that matters of more importance than business were engaging his attention. It was some hours before the arrival of the 9:30 train from Tarboro and the time dragged slowly by with the impatient lover. The looked for moment arrived at last and with it came the intended bride, who was fleeing from the parental roof to become the wife of the man she loved. The young lady was met at the train by her handsome lover and driven in a carriage to the parsonage of St. Paul church, where she was recognized by the pastor and his wife as Miss Mamie Hussey, the beautiful and accomplished daughter of Mr. and Mrs. M. L. Hussey, of Tarboro. It required but a glance for the Reverend and Mrs. Bradshaw to take in the surprise and the situation. The only other person present was Mr. Geo. C. Kornegay, the Register of Deeds from whom the license had been purchased, who subscribed his name as a witness after the Rev. M. Bradshaw had pronounced the ceremony which made the two ardent lovers man and wife.

As soon as the hastily performed ceremony was over the happy bride explained that the news had leaked out at home before she left and her parents and friends begged her to telegraph Mr. Godwin to come back to Tarboro and get married, but she refused because she had promised to come to Goldsboro on the train last night and she intended to make the promise good.

The happy couple spent the night at the Hotel Kennon and left Tuesday morning on the 7:40 train for Tarboro, where they will spend some time at the home of the young lady's parents, since they have relented in their opposition.

The bride is a teacher in the Graded School at Tarboro.

DISGUISED CATARRH.

A Stealthy, Insidious, Weakening Enemy to Women.

REV. HARRIET R. EDWARDS, CLINTON, IA.

Rev. Harriet R. Edwards in a recent letter from Mt. Pleasant Park, Clinton, Ia., writes:

"I have found that Peruna is a wonderful medicine to use in diseases peculiar to women. It quickly and permanently restores health and vigor and acts as a natural tonic to a worn-out system. I have so far never observed a case which was not greatly aided by its use."—REV. DR. H. R. EDWARDS.

THERE are a multitude of women, especially housewives, and all other women obliged to be on their feet constantly, who are wretched beyond description, simply because their strength and vitality is sapped away by catarrhal discharges from the pelvic organs. These women get up in the morning tired, drag themselves through their daily duties, only to go to bed at night as tired as before.

Peruna is such a perfect specific for each case that when patients have once used it they can never be induced to quit it until they are permanently cured. It begins to relieve the disagreeable

symptoms at once. The backache ceases, the trembling knees are strengthened, the appetite restored, the digestion made perfect, the dull headache is stopped and the weakening drains are gradually cured. These results certainly follow a course of treatment with Peruna.

Jos. B. Crowley, Congressman from Illinois, writes from Robinson, Ill.:

"Mrs. Crowley has taken a number of bottles of Peruna on account of nervous troubles. It has proven a strong tonic and lasting cure. I can cheerfully recommend it."—JOS. B. CROWLEY.

EEW LIFE FOR CITY.

Plant System's Absorption Will Aid Wilmington.

Wilmington, F. C., April 7.—The official announcement of the absorption of the Plant System by the Atlantic Coast Line Railroad company in today's Associated Press dispatches was received with great enthusiasm here, where the general offices of the latter company are located. It means much for Wilmington in a financial way. The clerical and shop forces will be greatly increased here. By the terms of the consolidation 4,914 miles of trackage came under one management, and that is the Coast Line. The various ramifications of the Plant System embraces 2,141 miles, to which is added the Coast Line's trackage of 2,773 miles. The Atlantic Coast Line property consists of 1,739 miles; the Northeastern of South Carolina, 71 miles; the Carolina, Newberry and Laurens, 75 miles; the Charleston and Western Carolina, 340 miles, making a total of 2,224, to which must be added one-half ownership in lease of Georgia Railroad, 324 miles, and a similar interest in the Atlanta and West Point, 225 miles, making a grand total of 2,773.

Mrs. Wm. Dietrick, Kennard, Washington county, Neb., writes:

"I am fifty-six years old and have not felt well since the Change of Life began ten years ago. I was in misery somewhere most of the time. My back was very weak, and my flesh so tender it hurt me to lean against the back of a chair. I had pain under my shoulder-blades, in the small of my back and hips. I sometimes wished myself out of this world. Had hot and cold spells, dizziness, and trembling of the limbs, and was losing flesh all the time.

"After following your directions and taking Peruna I now feel like a different person."—Mrs. Wm. Dietrick.

Barbara Alberry, corner Seventh and Walnut streets, Appleton, Wis., writes as follows in regard to Peruna:

"For years I have suffered with backache and severe pains in the side. I doctored so much that I became discouraged.

"A school friend told me how very much Peruna had benefited her and I sent out for a bottle, which did more to relieve me than all the other medicine I had ever taken.

"I used it faithfully for two weeks and it completely cured me. I have not had any pains since, anywhere, but feel like a new woman. I am truly thankful for what Peruna has done for me."—Barbara Alberry.

Mrs. D. W. Mason, 502 Dauphine street, New Orleans, La., writes:

"I have been taking your Peruna and Manalin and can cheerfully recommend it to all those suffering with the same trouble that I was. I have been suffering for the past two years with female weakness, palpitation of the heart, stomach, kidney and liver disorder, and above all a dreadful cough with smothering spells. I was completely run down.

"After I had taken one bottle of Peruna and a few doses of your Manalin, I could sleep soundly, my heart was better, my cough left me, it acted immediately upon my nerves, and after taking four bottles according to your directions, I was entirely cured of all my troubles.

"I can truthfully say that there is nothing to equal your Peruna and Manalin. I was a different woman after taking the second bottle. It is without a doubt the best medicine in the world. Language fails to express my gratitude for this cure. May God bless you."—Mrs. D. W. Mason.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.
